The Top 50 reasons Why You Should JOIN IMMUNOTEC Today

Your Opportunity is NOW

- 27 NOW is the window of opportunity based on current expansion strategies set forth by Immunotec. **(Growing the company to \$500 million)**
- 28 Capitalize on the perfect blend of megatrends: wellness, baby boomers, entrepreneurial and the immune system.
- 29 Rising healthcare costs increase the demand for more proactive solutions to support good health.
- 30 There are six ways to earn money with Immunotec's lucrative Compensation Plan – you get what you put into it.
- 31 People affected by today's economic conditions are looking for extra money to support their household income.
- 32 The direct selling model sells direct to the consumer (Consultants and customers), a sales model that keeps costs down and therefore can maximize the Compensation Plan.
- 33 Immunotec's financial rewards provide a predictable income. Create a monthly annuity (residual income) from something you may have done once months ago.
- 34 There are many special incentive programs that can remunerate you with additional revenue earning opportunities that are over and above the Compensation Plan.
- 35 Build on your entrepreneurial spirit and own your own business.
- 36 The direct selling channel allows people to grow both personally and professionally.
- 37 Be connected with a unique product – a product with a competitive edge – not a ME-TOO product!

A Phenomenal Industry
